MEMORIZING IDENTITY

Practical Applications*

ERIC WALLACE

Key Idea

In addition to memorizing passages about what we are to do and not do, we need to memorize passages about what God *has done*, especially passages about what he has done for us in Christ.

The whole family can memorize the same identity verse(s). And/or you can use the following table to help focus your scripture memory efforts with each child.

Child	Problem	Idol*	Identity+

* Refer to the PDF Guide from video 4 for a refresher on common idolatrous desires, below is a chart for review.
